3. (a) Artist will render services at recording sessions scheduled at times and places designated by Company. The Compositions to be recorded shall be designated by Company. 5. The Masters to be recorded hereunder will, from the inception of their creation, be considered as "works made for hire" for Company within the meaning of the U.S. Copyright Law. All records made from these Masters, together with the performances embodied therein, are, from the inception of their creation, entirely the property of Company in perpetuity, throughout the Territory, free of any claim whatsoever by Artist or by any persons deriving any rights or interests from Artist, and Company shall have the right to secure the sound recording (P) copyright in and to the Masters in Company's name as the owner and author thereof and to secure any and all renewals of such copyright. (The foregoing shall not, however, vest in Company any rights in the copyright of the Controlled Compositions, as opposed to the recordings thereof contained on the Masters). Artist shall execute and deliver to Company such instruments of transfer and other documents regarding the

rights of Company in the Masters as Company may reasonably request to carry out the purposes of this agreement. Company and its licensees shall have the sole and exclusive right to use the Master throughout the Territory or any part thereof in any manner they see fit, including, without limitation, the sole and exclusive right in perpetuity and throughout the Territory or any part thereof in any manner they see fit, including, without limitation, the sole and exclusive right in perpetuity and throughout the Territory:

Except as provided in paragraph 7 hereof, no such costs or payments, nor any other costs or expenses incurred by Company in recording the Masters shall be recoupable from royalties payable to Artist hereunder.

7. (a) For the purpose of this agreement:

(i) "Company's Recording Advance" means the total sum paid to Company or to others on behalf of Company for the delivery of each LP to be recorded hereunder (including amounts paid upon the commencement of recording and upon the delivery of the Masters) pursuant to the Record Contract.

(iii) "Member's Share" means the percentage of monies received by Company from the sale, use, license or exploitation of the Masters recorded hereunder which would be payable by Company to each member of the Ramones if such monies were divided equally, without deduction, among all members of The Ramones.

(b) Upon completion of the Masters for each LP recorded hereunder, Company shall pay to Artist a nonreturnable advance which shall be recouped from any royalties payable to Artist pursuant to this Agreement ("Artist's Advance"). Artist's Advance shall be computed in the following manner:

(i) With respect to the first LP recorded hereunder, Artist's Advance shall be 11.8% of the difference between Company's Recording Advance and Deductible Costs ~~or \$5,000, whichever is greater;~~ J.C. JN

(ii) With respect to the second LP recorded hereunder, Artist's Advance shall be equal to 18.9% of the difference between Company's Recording Advance and Deductible Costs ~~or \$7,500., whichever is greater;~~ J.C. JN

(iii) With respect to the third LP recorded hereunder, Artist's Advance shall be equal to 23% of the difference between Company's Recording Advance and Deductible costs ~~or \$10,000., whichever is greater;~~ J.C. JN

(iv) With respect to all other Masters recorded hereunder, Artist's Advance shall be equal to a full Member's Share of the difference between Company's Recording Advance and Deductible Costs. JN

8. Company shall pay to Artist a percentage of all royalties payable to Company pursuant to the Record Contract

for sale or use of records recorded hereunder whether those royalties are computed as a percentage of the records' retail price or as a percentage of Company's net receipts in respect of such sale or use.

(a) With respect to Masters included on or recorded at the same time as the first LP recorded hereunder, Company shall pay Artist a royalty equal to 11.8% of all royalties paid to Company or credited to Company's account pursuant to the Record Contract.

(b) With respect to Masters included on or recorded at the same time as the second LP recorded hereunder, Company shall pay Artist a royalty equal to 18.9% of all royalties paid to Company or credited to Company's account pursuant to the Record Contract.

(c) With respect to Masters included on or recorded at the same time as the third LP recorded hereunder, Company shall pay Artist a royalty equal to 23% of all royalties paid to Company or credited to Company's account pursuant to the Record Contract.

(d) With respect to all other Masters recorded hereunder, Company shall pay Artist a full Member's Share of all royalties payable to Company pursuant to the Record Contract.

(e) With respect to records other than Singles not consisting entirely of Masters recorded hereunder, Ar-

tist's royalty shall be pro-rated by multiplying the royalty otherwise payable by a fraction, the numerator of which shall be one (1) and the denominator of which shall be the total number of Masters recorded hereunder which are contained on such Records.

(f) The payments to Artist hereunder shall be computed in the same manner (i.e., according to the same provisions for "free goods", reserves, percentages of sales, escalations based on sales, container deductions, retail list price, number of units for which royalties are payable, etc.) as the royalties payable to Company hereunder are computed pursuant to the Record Contract. Artist shall not be paid a royalty for the sale or use of records including the Master recorded hereunder in respect of which no royalty is received by Company or credited to Company's account.

(g) The payments to Artist hereunder shall be determined and paid in the same manner and at the same time as royalty payments to the three members of The Ramones are determined and paid in respect of the Masters recorded hereunder except that, if such payments to any or all of the three members of the Ramones are reduced by the amount of unrecouped advances, which advances were not shared in by Artist, the payments to Artist hereunder shall not be similarly reduced.

9. Company warrants and represents that it owns the exclusive rights to the recording services of the Ramones and that it will continue to own said rights for the duration and term of this agreement. Company further warrants and represents that the Record Contract is currently in effect and that same accords Sire options for at least two LPs in addition to the one currently being recorded. Company further warrants and represents that it has the power and authority to enter into this agreement.

10. A list of Controlled Compositions together with the percentage of Artist's contributions thereto which are included hereunder is attached hereto as Exhibit B. Additional Controlled Compositions recorded hereunder will automatically be included in Exhibit B.

(a) Controlled Compositions included on records recorded hereunder are hereby licensed to Company at the applicable royalty rate and on the same basis provided in the Record Contract. Artist acknowledges that the applicable rate may be less than the minimum statutory copyright royalty rate contained in the United States Copyright Act.

(b) Artist agrees to enter into a Songwriter's Agreement with Publisher with respect to each Controlled Composition included on records recorded hereunder. The Songwriter's Agreement will be in the same form and contain the same terms as the Songwriter's Agreement currently in effect between

the members of the Ramones and Publisher, a copy of which is attached hereto as Exhibit C.

(c) Publisher, which is a signatory to this Agreement, agrees to accord Artist credit as a writer for each Controlled Composition on all copies of records recorded hereunder, on all printed copies of the Controlled Composition and in all other instances where such credits are customarily accorded. Publisher represents and warrants that there is currently in effect a co-publishing agreement between Publisher and Warner Bros. Music pursuant to which Publisher receives not less than seventy-five percent of gross publishing revenues received by Warner Bros. Publisher further warrants and represents that it distributes to the members of the Ramones all sums received by it in respect of their compositions without any deductions and that such distributions are pro-rated according to each songwriter's contribution to the composition. Publisher agrees that the Controlled Compositions delivered by Artist hereunder will be exploited by Publisher in the foregoing manner and that Publisher will pay Artist all sums received by it from its exploitation of the Controlled Composition, without any deductions whatsoever, based upon Artist's contribution to the Controlled Composition. Artist agrees, upon delivery of Controlled Compositions, to inform Publisher of the percentage of his contribution to the creation of such compositions.

(d) Nothing herein is intended to prevent or preclude Artist from receiving public performance royalties throughout the world directly from ASCAP.

(e) The parties hereto acknowledge and agree that publishing royalties and recording royalties payable hereunder are not cross-collateralized and, therefore, in no event shall royalties payable to Artist by Publisher hereunder be retained pending recoupment by Company of Artist's Advances or of any other advance payments to Artist or charges against Artist pursuant to this Agreement.

11. Accountings as to royalties payable hereunder shall be made to Artist within sixty (60) days after Company has received statements and payments pursuant to the Record Contract, together with copies of such statement and the payment of accrued royalties, if any, earned by Artist during the periods covered by such statements. All royalty statements and all other accounts rendered to Artist shall be binding upon Artist and not subject to any objection by Artist for any reason unless specific objection in writing, stating the basis thereof, is given to Company within two (2) years from the date rendered. In the event Artist fails to timely object then Artist shall be foreclosed from maintaining any action, claim or proceeding against Company in any forum or tribunal with respect to any statement or accounting due hereunder unless such action, claim or proceeding is commenced against Company in a court of competent jurisdiction within two (2) years after the

date such statement or accounting is rendered. Artist shall have the right to appoint an accountant or attorney to examine Company's books and records insofar as the same pertain to this agreement, provided that such inspection shall take place at Company's offices during normal business hours, on reasonable written notice, not more frequently than once in any calendar year during which Artist receives a statement and at Artist's sole cost and expense.

12. Company and Publisher acknowledge that Artist's services hereunder are non-exclusive and that he may render the same or similar services to others so long as they do not prevent Artist from performing his obligations under this Agreement.

13. This agreement has been entered into in the State of New York, and the validity, interpretation and legal effect of this agreement shall be governed by the laws of the State of New York applicable to contracts entered into and to be performed entirely within the State of New York. All claims, disputes or disagreements which may arise out of the interpretation, performance, or breach of this agreement shall be submitted exclusively to the jurisdiction of the state courts of the State of New York or the Federal District Courts located in New York City. Any process in any action or proceeding commenced in such courts, arising out of any such claim, dispute or disagreement, may among other methods be served by delivering or mailing the same, via registered or certified mail, ad-

dressed to the address first above written. Any such delivery or mail service shall be deemed to have the same force and effect as personal service within the State of New York. This writing sets forth the entire understanding between the parties and cannot be modified, except by an instrument in writing signed by Artist and Company.

14. No waiver of any provision of or any default under this agreement shall constitute a waiver of compliance thereafter with the same or any other provisions or of the right to enforce the same or any other provision thereafter. The invalidity of unenforceability of any part of this agreement shall not affect the validity or enforceability of the balance thereof.

IN WITNESS WHEREOF, the parties hereto have executed this agreement the day and year first above written.
